LD20

Max **180** Lumens

LD10

Max **120** Lumens

Three main features

1. Overall newly-designed reflector

2. Optimized circuit

3. Humanized design

LD10/LD20 has kept the persistent style of Fenix L-Series—portability and universality. Apart from the optimized-designed reflector and circuit, the body and tail have been more humanized, which has made it more outstanding and comfortable to use.
