Product Overview

Charging & Battery indication

Unscrew the flashlight to access the USB-C port and then connect the type C cable to the flashlight to charge. When charging the LED indicator will be red and when fully charged the led indicator will turn green.

Danger

- YDO NOT shine the light directly into eyes. This may cause temporary blindness or permanent damage to the eyes.
- YDO NOT put the flashlight into flames or excessive heat sources. This may cause the battery to explode.

Warranty

- The product is provided with a 2-year warranty. Any non-artificial damage, please contact the SPERAS aftersales department.
- The warranty does not cover normal wear and tear, modifications, misuse, disintegrations, negligence, accidents, improper maintenance, or repair by anyone other than an authorized retailer or SPERAS itself.
